

Many CancerCare Manitoba staff choose to support important donor-funded priorities (including staff positions), in addition to the enormous time and energy they dedicate to helping cancer patients each day.

WILL YOU JOIN THEM?

While CancerCare Manitoba is supported by Manitoba Health, some programs and services are not eligible for government funding.

Donor contributions – your automated payroll giving – to CancerCare Manitoba Foundation help bridge that gap.

Your Generosity...

Helps provide reliable support for CCMB researchers working to uncover new discoveries

Supports the clinical trials unit and the patients whose lives are changed through a new treatment

Contributes toward new equipment and upgrades bringing CCMB forward as a national leader in cancer care and research

and so much more.
