

Your donation: a gift that leads to improved patient outcomes

All funds raised stay in Manitoba and are dedicated to research, clinical trials and important emotional and physical support programs that would not otherwise be possible. Your support is changing lives.

1 Ways You Can Give

Host a fundraiser in your community.

Attend or participate in a fundraising event hosted by the Foundation.

Make a one-time, in-honour, in-memory or monthly donation either online, by mail or in-person.

Participate in a workplace giving program supporting CancerCare Manitoba.

2 You Make a Donation

In the last 10 years, more than 140,000 generous donors have made financial gifts in support of Manitobans with cancer.

100% of funds raised stay in Manitoba

3 Your support directly impacts Manitobans with cancer.

In 2024, more than \$40 million was invested in leading-edge research and patient care at CancerCare Manitoba.

4 Your Donation Leads to Improved...

Research is the only cure for cancer. Cancer centres with strong research programs provide better outcomes for their patients while helping drive change in treatment world-wide.

Local Cancer Research

More than 80 scientists work in the labs at the Paul Albrechtsen Research Institute CancerCare Manitoba working towards new discoveries that will transform cancer care.

Clinical Trials

Today 80% of young people diagnosed with leukemia will survive thanks to three decades of donor-funded clinical trials.

Patient Programs and Services

Donor support ensures that CancerCare Manitoba is able to offer specialized care programs for all Manitobans navigating a cancer diagnosis.

Cancer Screening & Risk Reduction

Donor support ensures that Manitobans are educated about the screening options available through CancerCare Manitoba, at home or in clinic.

5 Improved Patient Outcomes

Your donation gives Manitobans affected by cancer more tomorrows with the people they love.
